

CALL FOR PAPERS

Doctoral Workshop on Quantitative Dynamic Economics

October 14-15, 2024, Marseille (France)

The aim of the workshop is to offer a stimulating environment where PhD students and young researchers can exchange ideas about their work with experienced researchers.

We are particularly interested in submissions by doctoral students entering the academic job market in 2024/25.

We welcome contributions from all areas of dynamic economics. Topics of interest include in particular:

- Monetary and fiscal policy
- Income and wealth inequality
- Labor market dynamics
- Financial markets and macroeconomics

Key dates

- **Submission deadline: June 1, 2024**

Submit papers in pdf format to Heike Knappe: office.scholl@uni-konstanz.de

- **Notification to authors: July 1, 2024**
