- Master’s students, who do not pass a February examination, will be automatically registered for the April resit examination.
- Visiting students and all other Master’s students must register for examinations via StudIS:
  
  http://cms.uni-konstanz.de/en/studis/
  
  The registration period is 20\textsuperscript{th} March – 26th March 2018.

- If a candidate does not attend an examination without a recognised reason (i.e. illness) or if a candidate withdraws from an examination after it has begun, he or she will receive the grade 5.0 (fail).

If a candidate cannot attend an examination due to illness, he or she must inform Mrs Böhler before the exam begins and forward a medical certificate form immediately (i.e. on the day of the exam) to Mrs Böhler (room F 258, tel. 07531-88 2314, e-mail: pruefungsverwaltung.wiwi@uni-konstanz.de). The form is available from:

In this case, Master’s students will be automatically registered for the next examination date. A list of doctors is included in the telephone book and the yellow pages for Constance.

- All candidates are required to bring their student identity card to each examination.

- The use of mobile phones during an examination is not permitted and will result in candidates being dismissed from the examination.
