D2 - German Speaking
International Market Developer

Placement Location: Sheffield
Application Deadline: 2nd August 2018

Vacancy Description

Start Date: September 2018
Preferred Duration: 6 months

The Host Company

The host company are a specialist supplier of print & paper based products and services. They operate throughout the UK and Europe and offer their services to businesses of all sizes. They are a family based business, which takes pride in its client focused approach. The host offers a varied range of products including paper rolls, labels & bespoke print solution. One of their products, paper tachograph rolls is used to record details of journeys made by commercial vehicles. To comply with current EU legislation all commercial vehicles registered for use on or after May 1st 2006 have to be fitted with a digital tachograph system, which uses paper rolls supplied by the host company. Having had great success in marketing their product in the UK the company has recently been actively seeking to raise the profile of its services on the European Mainland.

The Placement

The host company are looking for a German student to help them promote this particular product across Europe, with a particular focus in Germany, The Netherlands & Belgium. The role will involve the student carrying out research to identify potential clients. The student will then be responsible for contacting these potential customers to introduce the company with a view to generating sales.

The Ideal Student

- Fluent English verbal and written
- Native German speaker
- Confident & outgoing personality
- Good telephone manner
- Customer focused attitude
