Since 2007, the University of Konstanz has been successful with its “Institutional Strategy to Promote Top-Level Research” within the framework of the German Excellence Initiative.

In the Department of Computer and Information Science, the following fixed-term position is available for 40 hours:

Undergraduate student assistant

The Joint Conference GCPR + VMV 2022 will take place from 27 to 30 September 2022 at the HTWG premises in Konstanz. The 40 hours must be completed primarily during the time period in which the conference is held. A few hours must be done before/after the conference.

Job description:
- Support with organizational tasks before and during the conference.
- Support with logistical tasks before and during the conference.
- Hands-on support during the conference

Requirements:
- You are enrolled in a study programme leading to a first university degree.
- You have very good communication skills in English and/or German.
- You have the ability to work in a team.
- You are a reliable person.

If you have a background or interest in Computer and Information Science, in addition to work, you can attend the scientific talks, poster sessions and discussions.

As an equal opportunity employer, we strive to increase the number of women in research and teaching.

The University of Konstanz has been certified as a family-friendly institution by the Hertie Foundation and is committed to fostering the compatibility of work and family life.

Persons with disabilities will be given preference if appropriately qualified (representative for employees with disabilities, phone: +49 7531 88-4895).

Please send your application, including the usual documents, by July 25, 2022 to Mr Urs Waldmann, urs.waldmann@uni-konstanz.de.
