<p>Session 1</p>	<p><u>Presentation: The new/revised study plan of PNU</u></p> <p>Inna Strazhnikova (PNU)</p> <p>→ See presentation WS 4_Vienna_Study plan_PNU</p> <p>Discussion/Comments:</p> <ul style="list-style-type: none"> - Contracts regarding internships could be an amendment to the plan that has been approved by the Ukrainian Ministry of Education - Competence objectives of internships? Practice should be logically framed. - Timing of internships? At the beginning or in the end of the semester? Integration into the academic year or during semester break? No overlap with lecture-period. - Clarification: “high school pedagogy” is not “university didactics” but pedagogy of ordinary non-university high schools and higher VET schools => eventually change of name of specialty - Need of description of the study plan; version that was sent before workshop could hardly be evaluated - Good: included pedagogy in new/revised study plan - Currently new law is being developed => good opportunity for changing study plans in favor of the project’s objectives (must be changed in any case) <p>Results (what to do next):</p> <ul style="list-style-type: none"> - Extending practice orientation, including internships in companies and (vocational) schools/colleges - Agreements planned until the workshop in Ivano-Frankivsk 2018 - Defining competence objectives for the internships and lectures/seminars

	<ul style="list-style-type: none"> - Complete study plan resp. study program (not only new lectures/seminars) needs to be sent - Defining structures for internships and concluding required contracts
Session 2	<p><u>Presentation: The new/revised study plan of KNEU</u></p> <p>Svitlana Tsybaliuk (KNEU)</p> <p>→ See presentation WS 4_Vienna_Results_KNEU</p> <p>Discussion/Comments:</p> <ul style="list-style-type: none"> - It is not possible to include a higher amount of internships in the BA, but it will be included in the MA study course - It is not clear which lectures/seminars belong to which category (overlap of didactics, pedagogy, practical courses) - Terminology of “teaching practice” must be clarified in order to sort out which course is taking place in schools and which at university <p>Results (what to do next):</p> <ul style="list-style-type: none"> - Integrating of internships in Master’s study plan - Categorizing of pedagogy lectures/seminars in: <ul style="list-style-type: none"> - Pedagogical basic knowledge - General didactics and pedagogical psychology - Subject based didactics - Practical courses (e.g. internships in vocational schools/colleges and companies) - Defining competence objectives for the internships and lectures/seminars - Defining structures for internships and concluding required contracts - Adjusting English titles of teaching practice courses
