

**Doctoral Seminar in Finance**

**Friday, 5th July 2013**

**Universität Konstanz**

**Start: 9am – 5pm**

**Room: G 420**

We would like to invite all Finance doctoral students to participate in the doctoral seminar on 5th July 2013. You should present a paper of your choice at the seminar on either existing research projects for which you have results already or new ideas, which might later turn into research papers.

An electronic copy of the paper needs to be submitted to Mrs Fischer (Monika.Fischer@uni-konstanz.de) by 30th June 2013. You are also required to prepare a 2-3 page discussion of one of the other papers and start off the discussion with a presentation of your comments. This discussion paper needs to be handed in on the day of the seminar. You can either simply participate without a grade or obtain a grade. Please specify which way you would like to participate.

We are looking forward to seeing you at the seminar,

Günter Franke and Jens Jackwerth
