All dates may be subject to change, please check exam details prior to the exam date.

1. All Master's SEDS students must register for examinations via ZEuS
   The registration period depends on the participating department.
2. Once a candidate has registered for an examination, it is only possible to withdraw from the examination via ZEuS within the registration period.
3. All candidates must bring their student identity card to each examination.
4. Candidates who do not attend an examination without a recognised reason (i.e. illness) will receive the grade 5.0 (fail).
5. If a candidate cannot attend an examination due to illness, please refer to the MSc SEDS FAQ online to see the conventions for each department.
6. The use of mobile phones in an examination is not permitted and will lead to dismissal from the examination.
