The above examinations are compulsory for first year students of the Master’s Programme in Economics.

MSc Economics first year students will be registered automatically for the above examinations.

All other students must register for examinations via StudIS:

http://cms.uni-konstanz.de/en/studis/

The registration period is 21st – 27th January 2020.

If a candidate does not attend an examination without a recognised reason (i.e. illness) or if a candidate withdraws from an examination after it has begun, he or she will receive the grade 5.0 (fail).

If a candidate cannot attend an examination due to illness, he or she must inform Mrs Böhler before the exam begins and forward a medical certificate form immediately (i.e. on the day of the exam) to Mrs Böhler (room F 258, tel. 07531-88 2314, e-mail: pruefungsverwaltung.wiwi@uni-konstanz.de). The form is available from:

In this case, Master’s students will be automatically registered for the next examination date. A list of doctors is included in the telephone book and the yellow pages for Constance.

All candidates are required to bring their student identity card to each examination.

The use of mobile phones during an examination is not permitted and will result in candidates being dismissed from the examination.
