Investment Professional (f/m/d) – Private Equity Fund Investments

Job Purpose/Role

Junior-level candidate to join the Private Equity Fund investment team in Munich. The investment professional assists the deal leaders in performing due diligence on new investment opportunities, i.e. conducting analysis and review of potential investments in private equity funds, and in monitoring such existing investments for performance, trends and other qualitative and quantitative aspects.

Key Responsibilities

- Conducting market research, analyzing and mapping of the global fund market to identify potential investment opportunities
- Involvement at every stage of the fund investment process, including initial screening, due diligence with a focus on quantitative aspects, the understanding of and the negotiation of fund terms and the compilation of investment papers
- Monitoring of existing investments
- Support of internal and external reporting and documentation requirements
- Preparation of market and strategy related presentations and analyses

Key Requirements/Skills/Experience

- University degree with a focus on Finance or equivalent experience
- First work experience in the financial services sector, in particular on the investment side, in investment banking or consulting
- Team player with strong analytical skills and high degree of commitment
- Strong analytical and financial modelling skills
- Proficient in MS Office, especially Excel and Word
- Ideally prior experience with databases (Bloomberg, Capital IQ, Thomson)
- Excellent English and German skills (both verbally and in writing)
