**Intern/Trainee (d/f/m)**

**Fulltime (40 h/week) | Duration: 6 months | Location Brussels | from 01.09.2019**

We are looking for a Trainee (d/f/m) placed in Brussels starting in September 2019 for our Business Unit Economy Innovation Region and our Competence Centre for EU-Services.

“There are many economic institutes, business consultants, think tanks and futurologists. But only one Prognos.”

**Working at Prognos, what can you expect?**

Topics that move. People who inspire. We combine leadership with attitude. Possibilities that give space. Prognos makes working easy. Initiative? Welcome.

We offer a varied traineeship/internship in a good working atmosphere in interdisciplinary teams that will challenge you. With us you get daily in touch with socially relevant topics. The traineeship/internship will be remunerated appropriately.

**Your tasks**

You will support our Business Unit in the following fields:

- European Structural and Investment Funds (especially ERDF) and other EU instruments
- Smart Specialisation Strategies (RIS3), innovation policy and regional innovation systems
- Evaluations and impact assessments of EU and national funding policies/programmes, market, industry and regional analysis
- Development and delivery of accurate, timely, and high-quality products and services to our client: development of research, evaluation methods, performing quantitative/qualitative data analysis, preparation of reports and presentations.

**Your profile**

- You hold a graduate degree or will soon graduate in economics, public policy, economic geography or related disciplines with a strong regional economics background.
- Moreover, you have gained first specific professional experience through internships or the like in the areas mentioned above.
- You are an experienced user of MS Word, PowerPoint and Excel; knowledge about additional software tools is beneficial (e.g. SPSS, QDA software, etc.).
- You have excellent verbal and writing skills in German (must have) and English; additional European languages would be advantageous.
- You are a team player with positive work ethic.

**You would like to become part of Prognos and apply?**

Please provide your application to our web-portal: [www.prognos.com/bewerbung](http://www.prognos.com/bewerbung) by **18.08.2019**. Please mention the reference no. WIR-73 and stating the possible date of entry.
