Job Opening

Jun.Prof.Dr. Luna Bellani, Jun.Prof.Dr. Anselm Hager and Jun.Prof.Dr. Stephan Maurer (Cluster “The Politics of Inequality”) are looking to hire a

Student Research Assistant

The position starts in March and includes a working time of around 40 hours per month. We seek for MSc students in Economics, Political Science, Political Economy, or Linguistics who are interested in empirical research.

Familiarity with statistical software, LaTeX, and MS Excel is an advantage. However, an enthusiastic attitude, good command of the English language, and a focused way of working are more important.

If you are interested, please apply by sending short CV and a list with your grades electronically to luna.bellani@uni-konstanz.de
