MEMBER OF THE ROTHO GROUP

Rotho Kunststoff AG, along with its sister companies Rotho Kunststoff GmbH and Rotho Sp. z o.o., is one of Europe’s leading manufacturers of plastic consumer goods. Rotho Kunststoff AG develops practical, ingenious products for storage, cooking and transport; whether for the home, kitchen, hobby or office. Rotho’s products are distributed throughout Europe, featuring in the product ranges of leading food retailers and DIY superstores.

We are currently looking for a competent candidate (f/m) for an internship in the marketing department.

Marketing internship: Communication and Trade Marketing (1 year)

Are you still studying or have you successfully completed a university or another equivalent education and would like to put the theory into practice in a dynamic and successful company? Interested? Learn more!

Your core responsibilities will include:
You will provide support to Marketing department and drive various projects such as packaging & branding, planning, coordination, documentation and monitoring of ongoing project work and planning as well as executing tradeshow promotional plans.

Skills and experience we are looking for:
- Fluent in German and good English
- Proficient computer skills, Microsoft PowerPoint or other presentation software
- Knowledge of marketing fundamentals
- Strong team player with solid oral & written communication skills
- Proactive, well organized and able to multi-task

The international business environment and the size of the Group allow the candidates to experience up-to-date processes and to contribute actively to the success of the company. Moreover, the dynamic growth of the business creates several opportunities for future working positions in the Group in Europe.
If you are interested, please do not hesitate to contact us.
